

Debate Issue

Prepared for Vacation Bible School - Wednesday, June 16, 2021

Prepared by: Rev Andrew Balenton

Though the elder brother never left home-- never went into a far country-- was he also lost and in need of being found?

I would appreciate it if some of you would take the "Pro" side of this question and some of you take the "Con" side of the question. And, if you would like, you can take both sides of the question. Please work on it and have it ready when we resume on June 16th. Minister Balenton.
